Dear CFSAN:

Pursuant to Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act and Section of 101.93 of FDA's regulations, we hereby notify you that we are using the following statement(s):

(1) Name of Address of distributor:

Jarrow Formulas, 1824 South Robertson Blvd., Los Angeles, CA 90035

(2) Text of the statement(s):

NeuroDefense[™] is a patent-pending formulation, combining Apigenin, Niacinamide, Silymarin, Grape Seed OPCs and Green Tea Extract, designed to protect brain and cardiovascular function.

Apigenin and Silymarin inhibit Mitogen-Activated Protein Kinase (MAPK) cascade enzymes, which are activated by oxygen deficiency. Inhibiting MAPK enzyme can help protect brain cells. The B Vitamin Niacinamide, also called nicotinamide, serves as a component of the coenzymes NAD and NADP. Niacinamide counters NAD depletion caused by oxygen deficiency, thereby protecting brain cell DNA. Green Tea and Grape Seed provide antioxidant protection for neurons from free radicals.

NeuroDefense[™] is a natural way to protect brain tissue and cardiovascular metabolism.

(3) Name of the dietary ingredient(s) if not provided in the text of the statement:

Niacinamide • Apigenin • Silymarin (80% Silybin) • Grape Seed (*Vitis vinifera*) • Green Tea (*Camellia sinensis*) 40% polyphenols • Phosphatidylcholine

(4) Name of the dietary supplement(s)

Neuro Defense 60 capsules

(5) The following disclaimer appears on the label in bold:

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

These claims are limited to, and a result of, what we believe to be a substantial body of scientific evidence supporting the functional role of these nutrients.

Respectfully submitted,

Siddharth Shastri
Vice President, Product Development
